Aspen Medical Harbour City is a ground-breaking joint venture between Aspen Medical and Curtain Bros Papua New Guinea Limited establishing a world-class private medical clinic at the Sir Hubert Murray Stadium complex. This state-of-the-art sporting hub is located at the Harbour City precinct in Konedobu, in the heart of Port Moresby's growing CBD.

Founded in 2003, Aspen Medical is an Australian-owned, multi award-winning, global provider of healthcare solutions. We have been providing world-class primary and emergency healthcare services in Australia and across the Pacific for more than a decade.

In addition to providing a full spectrum service at our Harbour City private clinic we are proud of our reputation for clinical governance and service quality. We operate a robust and comprehensive credentialing process ensuring that the doctors, nurses, specialists and allied health professionals in our team are highly-trained and experienced.

Curtain Bros Papua New Guinea Limited is one of the largest privately-owned companies in PNG and specialising in complex and large scale engineering, construction, property development and infrastructure projects. The group of companies has a 40+ year track record of sound financial management and the ability to develop and complete large international projects.

The Right Choice

Prime Location

This brand new premier facility is located in Port Moresby's CBD.

World-Class Health Professionals

Our robust and comprehensive credentialing process ensures that your healthcare team is highly experienced and experts in their respective fields.

Commitment to Excellence

We are committed to the highest international standards of service delivery for our clients. We are proud to hold certification for ISO 9001 Quality Management, ISO 14001 Environmental Management, OHSAS 18001 Occupational Health and Safety Management.

Competitive Pricing

We operate a non-exclusive private clinic offering competitive pricing and with differing user access levels for corporate clients and individuals supported by medical insurance policies. We also extend our first-class services to the general public where financial fee-for-service criteria has been met at the time of presentation.

Our Services

A Complete Service

From primary healthcare through to aero-medical evacuation (AME), our clinic offers a full spectrum medical service, including:

- Primary healthcare
- AME service
- Minor surgical procedures
- Low-dependency day ward
- Critical care stabilisation (ready for international aero-medical evacuation)
- Medical imaging
- Pathology
- Dispensary for patients
- Telemedicine – speciality consultations with Australian-based clinicians
- Pre-employment medicals
- Drug and alcohol testing
- Australian and New Zealand Visa medicals
- Patient transport services
