Aspen Medical Harbour City Private Clinic has been providing a full spectrum service in Port Moresby since 2014.

We are proud of our reputation for clinical governance and service quality. We operate a robust and comprehensive credentialing process ensuring that the doctors, nurses, specialists and allied health professionals in our team are highly trained and experienced.

Aspen Medical is an Australian-owned, multi award-winning, global provider of innovative healthcare solutions across a diverse range clients in the Government, Non-Government Organisation (NGO) and Private sectors.

We have been providing world-class primary and emergency healthcare in Australia and across the Pacific for nearly two decades.

The Right Choice

Prime Location

Aspen Medical Harbour City Private Clinic is located downtown in the heart of the vibrant CBD.

We are open to our members and the public six days a week from 8.30am – 5.00pm on weekdays and 9.00am – 1.00pm on Saturdays.

World-Class Health Professionals

Our robust and comprehensive credentialing process ensures that your healthcare team is highly experienced and experts in their respective fields.

Commitment to Excellence

We are committed to the highest international standards of service delivery for our clients. Aspen Medical are proud to hold certification for ISO 9001 Quality Management, ISO 14001 Environmental Management, OHSAS 45001 Occupational Health and Safety Management, and ISO 27001 Information Security Management.

Competitive Pricing

We operate a non-exclusive private clinic offering competitive pricing and with differing user access levels for corporate clients and individuals supported by medical insurance policies. We also extend our first-class services to the general public where financial fee-for-service criteria has been met at the time of presentation.
